School email diagnostic task. Write 100-120 words to a friend about a weekend plan that changed. Explain what changed, how you felt, and why the final result was useful or interesting.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface. The overall appearance is that of a clean, unused piece of stationery.
